

**Our Social Fabric**  
a textile recycling initiative

### ***What are people saying about Our Social Fabric?***

Here are some comments made by our lovely customers:

- Always a great environment. A room full of creative people. All the staff/volunteers very friendly and efficient.
- Excellent Staff! Prices are amazing, quality and variety of product is astonishing. Well done!
- Fabulous selection and loved the zipper prices.
- Appreciate what you ladies are doing...Thanks
- So much more organized / easy than I expected! Staff were great! Friendly and helpful. My one request is possibly more info about the fabrics, what fibers etc. It was pretty good, though. Types of fabric were well organized. I imagine for much of the fabric detailed info is not available because of the nature of the store - donation based. Overall very impressed!
- Amazing organization and good product. I enjoyed shopping [today](#).
- Appreciate the atmosphere among the shoppers, and helpfulness of the volunteers. Thank you for making this possible!
- OSF is a great organization! It's obvious how much work goes into each sale. Thank you!
- So organized quick and lovely! I loved the lady running around helping people bag their finds as they were grabbing things. So fantastic!

Thank you everyone for your support and for shopping at OSF! We love to see you at our sales and talk to you about what projects you are working on and how we can help you.
